

Pokémon Indigo - Poke Vial Upgrade Locations

The Poké Vial is an item that restores your party, but has a limited number of uses before needing to be recharged at a Pokémon Center. During your journey, you can find upgrades to increase its number of uses.

Route 24

- Loop around from Route 25 to access middle left part of Route 24. It will be near the bridge.

Celadon City

- It is behind the buildings in the upmost area of the city.

Seafoam Islands

- Descend two floors to Floor 3. It is near an ice puzzle.

Route 27

- Surf in water past the entrance of Tohjo Falls. It is on the land near the boat there.
