

Pokémon Indigo - How to get Lugia and Ho-Oh

1. Locate the Secret Path

- Start in **Azabache Village**.
- Go south from **Azabache Village** to **Route II**.
- Look for some flowerpots on the right side of **Route II**.
- Activate the **Lens of Truth** to reveal a hidden passage leading to the **Secret Path**.

2. Obtain the Passwords

- After defeating the Team Rocket grunt in the warehouse, you'll learn that two passwords are needed to open a door.
- "**Ho-Oh deified Ho-Oh**": This password is given by a girl at the bottom of **Azabache Village**.
- "**Aron sees Nora**": This password is given by Bruno in the dojo in **Magenta Village**.

3. Enter the Secret Team Rocket Warehouse and Get the Tidal Bell

- Once you have both passwords, you can open the door to the **Rocket Warehouse**.
- You'll need to battle several Team Rocket members inside the base.
- After defeating the Elite Rocket leader, you'll receive the **Tidal Bell**.

4. Obtain the Clear Bell

- Exit the Secret Path and go to the lower left side of **Route II**.
- Go to the **Memorial Islet** from **Route II**.
- Speak to the NPC on the island who mentions his Onix *Tectonix* and its love for lemonade.
- You must have a **Lemonade** in your inventory. You can get Lemonade from either the **Celadon Department Store** or the **Magnet Train Station**. Interact with the large rock (which is *Tectonic's* tombstone) and offer the lemonade.
- You will then receive the **Clear Bell**.

5. Find Lugia and Ho-Oh

- Fly to **Veridian City**.
- Head left to Route 22 and then go south down to **Route 26** and **Route 27**.
- Head left on **Route 27** and enter **Tohjo Falls**.
- Navigate through the cave, using rock climbing and surfing abilities, going up until you reach an exit. You will now enter an area with a Golden Bell.
- Interact with the Golden Bell. The Clear Bell will ring, and **Ho-Oh** will appear.
- After Ho-Oh appears, the Tidal Bell will also ring, and **Lugia** will appear alongside Ho-Oh.
- You can then approach and capture both **Lugia** and **Ho-Oh**.
