- 2. Free the Legendary Beasts:** Go to the Team Rocket Hideout in the Game Corner in Celadon City. Use the **Secret Key** on the corresponding purple elevator to access the room with the trapped Legendary Beasts and help them escape.
- 3. Locate the Legendaries**
 - **Entei:** Fly to Pallet Town, surf south to Route 21, and find Entei on the upper right side.
 - **Raikou:** Go to Route 16, take the path on upper left, and you will find Raikou.
 - **Suicune:** Head to Route 10 North. Surf down the route and use the Climbing Gear to reach the entrance of the Power Plant. Surf in the small pond in front of the Power Plant to find Suicune.
